Copy of letter No.393 dated 5-8-1960 from the Private Secretary to the Minister for Transport and Forest, Vidhana Soudha, Bangalore to the Chief Conservator of Forests, in Mysore, Bangalore.

I am directed to forward herewith the petition received from Sri.V.K.Kulkarni, Sri.Aurobindo Ashrama, Pondicherry, with the orders of the Minister for Transport and Forests, thereon, along with its enclosure, for taking further action.

ENCLOSURE.

Copy of petition dated 1st Aug. 1960 from Sri V.K. Kulkarni, Sri Aurobindo Ashram, Pondicherry to Sri.K.F. Patil, B.A., Hon'ble Minister for Forests and Transport, Mysore Government, Bangalore.

Sub: Tresspass and unlawful cultivation of lands under Government management as Private Reserve Forest in village Halav-Taralghatta, District Dharwar - lands dedicated to Sri Arobindo Ashram Pondichetty.

Since my last letter to you in which I had conveyed to you information regarding the above matter, I have received two or three communication from the Divisional Forest Officer Dharwar Division to whom it appears you were kind enough to forward my letter for needful action.

It has been confirmed that such illegal cultivation has been going on in two or three survey numbers there. Panchanama also is reported to have been made (though only in one instance, according to my information) but the no further action has been apparently taken against the persons concerned nor even seems to be contemplated.

I am enclosing herewith a copy of the last letter of the Divisional Forest Officer, Dharwar for your kind perusal.

Needless to say such an attitude would encourage more people to break the Forest regulations. If this is the Government's view of the affair, then the Notification issued in the Governmeng Gazette has no binding value except on the person unfortunately owning the land managed by a Government Department. I respectfully submit that I am unable to follow the reasoning in the letter.

I request you to give the matter your sympathetic and urgent consideration and see if it can be solved by Departmental action in collaboration with the Revenue Department as such action by Government alone will din sense into the heads of people who are being encouraged by unsocial elements to take law into their hands. Only if measures are taken on Government level they will be effective in preventing such ~~degratian~~ degratations once for all.

At the same time such action by Government will avoid involving Ashram in litigation and gave avoidable expenditure

(.....

9

I need not add that just when the Ashram is considering starting its institutions and activities there, such uncalled for litigation will mar the proper atmosphere for its spiritual and educational work, and perhaps make the Mother drop the idea altogether.

Surely the Mysore Government true to its enlightened tradition could see its way to help by assuring firm support for lawful activities calculated to influence beneficially life, individual and social in that part of the country.

I trust that you will do the needful and I shall be ever grateful to you.

With best compliments and hoping to hear from you soon.

Sub: Lands : Dharwar - Halav - Tarlghatta village Taluka Shiggaon.

Ref: Your application dated 23-6-1960.

As per Section 35(1) of the Indian Forest Act, 1927, under which Sy.Nos.2,3,4(B.C.D.), 7,8,20,21,41 and 43 of Halav Tarlaghatta village have been notified, the ownerwhip of the Sy.Nos. lies with the owner and the Forest Department is only expected to control and regulate certain acts i.e. felling of trees, cultivation, etc. If the owner of the area fells the trees standing therein or cultivates the land without obtaining necessary permission of the Forest Department, in such cases only the Forest Department can proceed against the owner as per provisions of the Indian Forest Act of 1927. If others (other than owner) cultivate the land or fell the trees standing therein, it is for the owner of the land to stop such actions in his land as the owner is responsible to the Forest Department, not others.

In your case also, the villagers of Kunnur village (i.e. the third party) are cultivating the lands without obtaining necessary permission from this office and ~~the~~ hence this Department cannot take action against them. In case you are cultivating the lands this Department can take action against you as per Forest Act. Moreover the ownership of the Sy.Nos. in question of Halav Taralghatta village also vests without you.

In the circumstances mentioned above, if you desire to evict the unauthorised cultivators from the Sy. Nos. you are requested to take action and evict them from the lands ~~tih-the~~ with the help of the Police Department or Revenue Department if necessary.

Subject: Sri Aurobindo Ashram, Pondicherry -- Transfer & Development of Lands in village Halava Taralaghat, Shiggaon Tk. Dharwar District

Sir,

Sir Aurobindo Ashram, Pondicherry, through its Manager, Shri Amritaji, has intimated to me its desire to take under its direct control for development and establishment of the Ashram's Institutions, the property dedicated by me in February 1952 to the Mother.

The Ashram has instructed Shri D. R. Bendre and myself to meet the Hon'ble Ministers of the Government of Mysore and place before them the facts about the Land-offering and s eek their guidance in the matter of proper transfer of the lands to the Ashram and solicit all possible help that can be extended in the further work of the development of the land.

The Ashram naturally wishes to carry on its activities according to the Divine Mother's guidance without any intereference from outside forces. The Ideals and Aims of the Sri Aurobindo Ashram are already known to you.

A brief statement of facts and figures concerning this estate of the Ashram, still held in my name, is attached herewith and further details would be given as and when required. Some details of the property have already been submitted for information to the Deputy Commissioner (Shri P. R. Nayak) Dharwar District already.

I therefore seek the favour of an enlightened collaboration in the Spiritual-Cultural-Educational work of rebuilding humanity in the light of Sri Aurobindo and the Mother. I shall ever remain grateful to you for assistance rendered in the matter.

Yours sincerely,

(Vasanth Kasinathrao Kulkarni)

SRI AUROBINDO ASHRAM LANDS - A FEW FACTS & FIGURES.

1. The lands are situated in Halava Tarlaghat village, Shiggaon Taluka, District Dharwar. They are one compact area of 533 acres 35 guntas. The annual assessment is Rs. 431-7-0. At present the whole is held in the name of Vasant Kashinathrao Kulkarni, Sri Aurobindo Ashram, Pondichery, (Formerly of Hurlikuppi, District Dharwar).

2. Of these lands, 12 S.Nos. (No.s 2,3,4B, 4C, 4D, 7, 8, 9, 20, 21, 41 and 45) were notified as Private Forest under Government Management in the Bombay Agriculture & Forest Department Gazette of 13th October 1955 under No. PRF/2355/108222-J and No. PRF 2355/51382-J of 26th May 1956. The total area under Forest Dept. is 329 acres 27 Guntas.

3. Thus, for agricultural use, an area of 204 Acres 8 guntas are left.

4. The village lands were without any tenants and in full possession of V.K.Kulkarni when given in 1952 to the Ashram.

5. Now (as also then) there is no population in the village and the whole village site is in the possession and wahiwat of Shri V.K. Kulkarni.

6. Pending the taking up of the lands by the Ashram directly, the lands were given to the cultivators of the neighbouring village of Kunnur in 1954 with the express request of not placing any obstacle in the matter of transfer of the lands to the Ashram at the proper time.

7. But some tenants have got their names entered in the village records in 1955 & 1956 when new Legislation was on the avail of the Bombay Legislature.

8. The Ashram feels that the compact block, in its undisturbed possession would be very helpful and necessary for the Ashram's work in this region.

9. The Ashram is a Spiritual-Cultural-Educational Trust and holds property in varioous States of Union India and carries on various activities including agriculture, dairying and cottage industries etc.

19/5/60.

Dear Sir,

In furtherance of my reply of 12/4/1960 to your above mentioned letter, I write this letter to convey some information that I have received & to make a request.

21/17

already stated in my last letter to you all my lands in the village of Halav Tarlaghat are dedicated to Sri Aurobindo Ashram. Till the Ashram takes over direct management, I have to do my best, to guard its interests, from this distance.

Villagers from Kunnur (a village 3 miles to the east of Halav Tarlaghat) cultivate some of the agricultural lands in the Ashram property and some of them have been writing to me that certain other people of Kunnur have aggressive designs against the property. In fact that it is intended by some to occupy & commence agricultural operations without any legal authority from anyone in certain S. Nos. now under Govt.'s management as Private ~~Reserved~~ Forest. I guess they refer to S. nos. 2 & 3 of Halav Tarlaghat which are coveted by many.

Secondly, they inform me that some illegal cutting of trees & burning of charcoal is going on in the malki S. nos. there.

-3-

I request you to kindly enquire into the matter and issue instructions to your subordinate officers that no passes for any forest produce from Halaw Jarleghat area should be issued without due application signed by me personally authorising such an issue. Just now nobody is having any such right authorized by me.

As for the threat to occupy land illegally I am sure govt. will take proper measures in case some forthcoming person does actually trespass & occupy wrongfully land under Govt's management.

I pray you to excuse the trouble & I shall always remain grateful for your help in guarding the interests of the Ashram.

With best wishes,

Yours Sincerely,

V. K. Kulkarni
